

DECLARATION OF MANUFACTURING RELATIONSHIP AND PRODUCT OWNERSHIP**To whom it may concern,**

This document serves as an official declaration of the manufacturing and product ownership structure of **Laboratorios Beemine S.L.**, a company duly incorporated under the laws of Spain, with registered address at **Paseo Imperial 14, 28005 Madrid, Spain**, and Tax Identification Number (CIF) **B88168166**.

Laboratorios Beemine S.L. is the **legal brand owner, product developer, and responsible entity** for the commercialization of all products marketed under the *Beemine* brand. In this capacity, Laboratorios Beemine holds full ownership of the formulations, which are **proprietary, exclusive, and internally developed**. All intellectual and industrial property rights associated with said formulations are and shall remain the sole property of Laboratorios Beemine S.L.

The manufacturing of Beemine products is carried out by the following qualified third-party manufacturers:

- **ALGA COSMÉTICA, S.L.**
- **BOTANICA NUTRIENTS, S.L.**

Both entities operate in accordance with **Good Manufacturing Practices (GMP) for cosmetic products**, as defined under the **ISO 22716:2007 standard (Cosmetics – Good Manufacturing Practices – Guidelines on Good Manufacturing Practices)**. This includes the implementation of documented procedures and controls covering, among others, **personnel, premises, equipment, raw materials, production processes, quality control, storage, and traceability**.

Manufacturing activities are conducted under a structured quality system aligned with ISO 22716:2007, ensuring:

- Controlled and documented production processes
- Batch traceability and full documentation records
- Qualification of raw materials and suppliers
- In-process and final product quality controls
- Deviation management and corrective/preventive actions (CAPA)
- Hygiene, sanitation, and contamination control measures

All products commercialized by Laboratorios Beemine S.L. are manufactured under these GMP conditions, strictly adhering to the **technical documentation, product specifications, and formulation requirements** defined and approved by Laboratorios Beemine.

Laboratorios Beemine S.L. retains full control and responsibility over:

- Product development and formulation design
- Quality standards, specifications, and batch release criteria
- Regulatory compliance in accordance with applicable EU cosmetic regulations
- Qualification, auditing, and ongoing supervision of manufacturing partners

This governance framework ensures that all products consistently meet the highest standards of **quality, safety, traceability, and regulatory compliance**, in line with European regulatory expectations, including those applicable within the Greek market.

This declaration is issued in good faith for **regulatory, commercial, and verification purposes**, including its submission to pharmacies, healthcare professionals, and competent authorities.

Sincerely,

Andrés Espinosa

Director de Desarrollo
